## PLACE IN STATE GOVERNMENT ORGANIZATION

The Delaware Division of Libraries is one of the divisions which make up the Department of Community Affairs headed by a Cabinet Secretary. The Division is established by law (29 Delaware Code Annotated §8603) which directs the Secretary to appoint a State Librarian to head the Division.

## POWERS AND DUTIES OF STATE LIBRARY AGENCY

29 Delaware Code Annotated §8610 enumerates the duties of the Department relating to library services: to provide library services to governmental units, to maintain a documents collection, to receive and administer funds, to promote cooperation among all types of libraries, to provide resources to supplement local libraries, to recommend appropriate legislation, to publicize library services, and "all other activities pertinent to the organizational function of library services".

## ADVISORY GROUP

29 Delaware Code Annotated §8611 establishes the Council on Libraries which is to advise the Department of Community Affairs on matters relating to libraries and library standards. Total membership on the Council is 13. Each of the three County governments elects two members annually who serve at the pleasure of the County. The Governor appoints the other seven. There is no statutory definition as to whom shall serve but the Governor does appoint citizens to represent the groups of users required by the Library Services and Construction Act.

## PROGRAMS

The Statewide Library Development includes Delaware Films Cooperative, Art Loan Collection, continuing education programs for librarians, Division of Libraries' newsletters, public relations services for all the State's libraries, administration of LSCA programs, and preparation of state and federal financial plans. These services are aimed at the State's total population.

Books-By-Mail Program provides paperback material to residents who are homebound or do not have access to regular public library services.

Kent County Bookmobile operation is a contractual service provided by the State Library Agency to Kent County residents.

Library Cooperation includes OCLC Consortia, multitype library networks, DRILL, ILL, COM Catalog, and Union Lists.

Phone Difficult Questions is a toll-free telephone reference service.

Special Services provides specialized materials for the handicapped through the regional library in Dover established by the Library of Congress in 1971 to meet the particular needs of the visually impaired and physically handicapped. A full program of talking books, cassettes, large print, and mechanical aids is available from this unit. Institutional Services provides assistance to personnel in the State's resident institutions who are given the responsibility of providing public library type services.

Support Services includes acquisitions and processing, delivery service, and maintenance of vehicles and building.

# ANNUAL REPORT FY'1983

## Division of Libraries

The highlight of the Division programs and activities during Fiscal 1983 was the publication and distribution of the State's Union Computer Output Microfiche Catalog ("Catfiche"). A catalog of more than 400,000 monograph titles held in 29 libraries throughout the State, Catfiche is the first step to total information accessibility for Delaware citizens. It is planned that Catfiche will be published annually in a totally revised edition (reflecting new acquisitions of the present holding libraries and adding additional libraries' collections) and will also be supplemented at the end of the six months. The Automation/Library Technology Report prepared by Information Systems Consultants Inc. this year indicates the COM Catalog will continue to be the most widely used product of the technology in Delaware for the next five years.

The State's public libraries participated in a series of four Continuing Education workshops on the "Public Library Planning Process." Directors, Trustees, and Friends attended the classes, met frequently in their libraries over the winter, and prepared long range plans - the first ever in most of the libraries.

Resource sharing via the three county networks continued to expand with interlibrary loan requests up by 3,000 requests.

Library Services and Construction Act funds were used to renovate two public libraries - Rehoboth Beach and Laurel. Both will be totally accessible to the handicapped. Grants for projects were awarded to fund a shared children's librarian for Milford and Seaford public libraries, a series of programs in all New Castle County public libraries to assist the unemployed, out-reach for Spanish-speaking residents of New Castle County, Funmobile visits to the Department of Public Instruction summer feeding sites to introduce disadvantaged children to public libraries' services and programs, special collections development in Millsboro and Delmar, delivery services and interlibrary loan reimbursements for the networks, and publication of the COM Catalog.

The Division's programs providing direct services to Delaware residents, including Summer Reading Program, Books by Mail, Phone Difficult Questions toll free reference line, Art Loans, Film Services, Special Services to the Blind and Physically Handicapped, and exhibits and demonstrations in the Conference Room, all report increased use.

The last day of the fiscal year saw the introduction of House Bill No. 378 in the General Assembly - to establish a formula for State aid to public libraries.

The Honorable Pierre S. du Pont
Governor
State of Delaware
Legislative Hall
Dover, Delaware 19901

Dear Governor duPont:

The activities of the State Library Advisory Council during this past year were concentrated on improvement of library funding and long range planning, in addition to our responsibilities as defined by the Library Services and Construction Act (LSCA) regulations.

The Legislative Committee of the Advisory Council drafted a bill, HB378, which was introduced in the House in June, 1983. It would remove libraries from the Grant-in-aid process and establish a formula for providing state aid to public libraries. We solicit your support of this bill as an indication of the state's commitment to libraries as a state resource.

The Long Range Planning Committee of the Council reviewed the State Library Five-Year Plan for 1978-83 and sent out a Long Range Planning Survey to all public, academic and special libraries soliciting their input as to past successes, failures, and ideas for the future. A first draft of a new three-year plan is awaiting final approval by the library community.

Respectfully submitted,

Grace S. Husted

Grace S. Husted
Past Chair
State Library Advisory Council
